COMMUNICATION REGARDING REQUEST FOR SUBSTITUTE PAPERS

Box Duplicate OIPE
U.S. Patent & Trademark Office
P.O. Box 2327
Arlington, VA 22202

Sir:

Applicants have received a Request for Substitute Papers under 37 CFR 1.52(a) mailed March 22, 2002, for the above-identified application. The Request indicates the papers filed on February 7, 2002 are no longer in condition to become part of the permanent records due to the sanitization process. However, the Request does not indicate which specific document needs to be resubmitted in order to comply with this Request in a timely manner. Pursuant to a telephone

conference with Ms. Ivey the Supervisor in the Application Branch, and Jill Warden the supervisor in Group Art Unit 1700, it is still unclear as to the appropriate document the U.S. Patent Office is requesting.

Applicants respectfully request the OIPE give notification of the specific document that is requested to be resubmitted in order to respond to the Request and comply with all requirements under 37 CFR 1.52(a).
